

## VIRTASUOTIMET

**Tablette 2** ..... 149 EUR

**Tablette 4** ..... 199 EUR

**Tablette 6** ..... 249 EUR

2, 4 or 6 Schuko sockets, noncrystalline power filtering module – only 2 soldering points in power filtering path, interference attenuation up to 80dB, 15 000A MOV protection, 2mm steel enclosure, ultraviolet diode, 16A power rating (3680W), IEC inlet by Schurter, no cable

**Power Point 5S** ..... 399 EUR

Schuko sockets, noncrystalline/capacitive array - NCA power filtering module (version gamma), no soldering points in power filtering path – Zero Impedance Technology, interference attenuation up to 90dB, 15 000A MOV protection, 2mm steel enclosure, ultraviolet diode, 20A power rating (4600W), integrated ENERR BLUE cable

**Ultra Power R2** ..... 759 EUR

5 Schuko sockets, noncrystalline/capacitive array - NCA power filtering module (version beta), no soldering points in power filtering path – Zero Impedance Technology, interference attenuation up to 90dB, 20 000A termo-fused TMOV protection, 2mm steel enclosure, ultraviolet diode, 25A power rating (5750W), integrated ENERR Symbol cable

**Ultra Power 12X** ..... 959 EUR

**EquiPower** ..... 999 EUR

5 Schuko sockets, noncrystalline/capacitive array - NCA power filtering module (version alfa), no soldering points in power filtering path – Zero Impedance Technology, interference attenuation up to 90dB, 20 000A termo-fused TMOV protection, 2mm steel enclosure, ultraviolet diode, 25A power rating (5750W), integrated ENERR Holograph cable

## POWER CORDS

### Colors of the Rainbow Series

**Green (R2)** ..... 79 EUR

**Red (R2)** ..... 149 EUR

**Blue (R2)** ..... 199 EUR
